Size 30' 0" x 22' 0"

6 Rooms, Bath and Sun Room

The CHILTON

THE colorful exterior is achieved by contrasting the mottled shingled effect with the pure white of the siding. The roof lines are carried into the entrance and make it seem an inherent part of the house. A large vestibule and reception hall greet the guest. The sun room will prove to be a room of recreation and comfort.

Two Apartments

The CHERENO

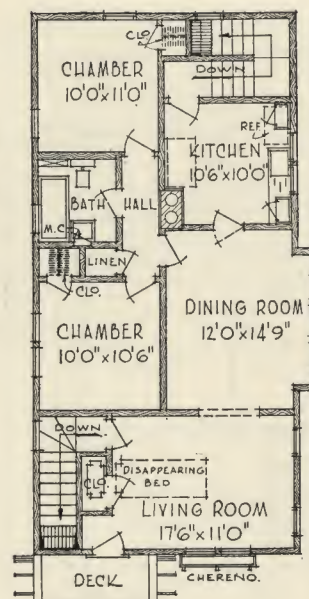

EACH FLOOR HAS 5 ROOMS AND BATH

THE "Cherenó" pictured above is a very appealing home. No one could tell from looking at it that it is a two family home and yet there are two apartments of enormous size. The roominess of the Dutch Colonial style permits this effect. Disappearing beds, adjustable closet fixtures, kitchen, linen and medicine cabinets are all to be found.

The CRIMORA

4 Rooms, Bath and Dressing Room

A BUNGALOW along the Spanish lines. A combination of stucco, tile roof and brick chimney are effectively blended into a handsome monolithic structure. Four rooms with five room efficiency. A full size disappearing bed in the living room makes it possible to convert this into a bedroom at night, thus giving the conveniences of an additional room. Metal lath backs up the stucco.

HOMES DESIGNED TO ORDER

Our plans insure "A home of no regrets"

We maintain an architectural department which is devoted exclusively to the production of special plans. This department renders dependable architectural service, plans, specifications and general advice on all matters pertaining to home building.

Therefore, you need not confine the selection of a home to the designs illustrated in the Home Builders Catalog, for all can be had with any changes desired, or we will supply plans in accord with individual ideas.

No matter how small the home or how small the budget our special plan department enables one to secure expert architectural service at such a low cost that it is within reach of all.

Send for our Special Pamphlet entitled "Homes Designed to Order," which will give details and instructions for planning a home to one's individual tastes and requirements.

Address—Architectural Department
